Vail has arguably the best skiing, town, restaurants and après activities in the world The Hilton Highline is very nice with a restaurant, bar, pool, jacuzzi and fitness center. It's within a few minutes walk to a grocery store, liquor store and multiple restaurants. They have excellent shuttle service in constant rotation to the three main lifts; Lions Head, Vail Village and Golden Peak. The shuttles run on demand till 11pm and a call will bring them to your stop. You'll need an Epic pass product for this trip. A three, four or five day EPIC pass would work well. This is a Sunday to Saturday trip to avoid traffic and reduce cost. This will be a great trip. You should join us.
