ST. ANTON / ARLBERG

Arlberg has always been famous for its beauty, reliable snow extending right down to the villages and the excellent condition of its slopes. A total of 87 state-of-the-art cable cars and lifts offer the highest standard of safety and comfort while giving winter sports enthusiasts a breath-taking view of the impressive mountain scenery. 305 kilometres of marked ski runs, superbly prepared slopes for all ability levels, and 200 km of off-piste and challenging steep slopes and deep-snow ski runs, snowboard fun parks, carving areas, permanent racing circuits and numerous cozy meeting places ensure variety and enjoyment. Off the slopes, you'll find a wide range of shopping, dining and accommodation with plenty of luxury/gourmet choices, excellent leisure facilities and pedestrian friendly villages.

ST. ANTON AND ST. CHRISTOPH, STUBEN, ZÜRS, LECH, OBERLECH AS WELL AS SCHRÖCKEN AND WARTH ARE NOW ALL INTERCONNECTED BY GONDOLA, SO A TOTALLY NEW EXPERIENCE!
