The 1000 Peaks Lodge is one of Panorama's newest developments, and there is no shortage of modern luxuries at your fingertips. The stunning views from the Lodge are more proof that this is one of the best locations in Panorama, with the ski lifts, Panorama Springs Hot Pools, and village shops, nightlife and services just steps away. Designer units feature full kitchens (with fridge, dishwasher, and microwave) and living areas with a fireplace and balcony. 2 bedroom condos have 2 full baths and a queen in one bedroom and 2 twins in the other.

Panorama has 2,975 acres of terrain – ranging from wide open fall-line cruisers to powder-filled tree lines and the steep and deep exhilaration of Taynton Bowl. The ski area is perfect for a variety of abilities with 75% of the runs suitable for beginners or intermediates. Think wide open groomers, winding down the fall-line right to the village or the door of your condo. Kicking Horse is the fourth highest vertical drop in North America, the raw ruggedness of our mountain, our amazing always-fresh powder, and the sheer beauty of our pristine scenery set Kicking Horse apart as one of the most exceptional ski resorts in British Columbia, hands down. With 4,000 vertical feet, the terrain has something for everyone with 40% for beginner or intermediates, 45% advanced, and 15% expert.

It should be a great week for All Levels of Skiers and Riders.
