On Park City's free shuttle route, it is within minutes of Park City, Canyons ski areas and downtown. It offers a heated outdoor pool, large hot tub, and onsite dining at the Roots Grill.

Utah's fluffy light snow is a big draw for people looking for powder. With 7,300 acres of skiable terrain, 14 bowls, groomed World Cup runs, and friendly intermediate terrain, Park City and Canyons are a tough combination to beat. Snowbird offers a powder paradise with average snowfall of over 500 inches!!! For the first time, the club will heading to Powder Mountain, or Pow Mow for short. With 5,500 acres of skiable terrain, this is where you'll find your own secret powder stash and slopes almost devoid of skiers.

It should be a great week for All Levels of Skiers and Riders.
