Subject: FW: 2017-18 Bretton Woods Corporate Voucher program is here!!

Hello Ski Clubs!

I want to thank you all so much for your patience. I know it has been a bit of a wait to receive this information, but it is finally here, the Bretton Woods Ski Club voucher program! This year, the price of a ticket will be \$55.00 per voucher. Other than that the program will run exactly the same. I am also excited to announce that new this season is our Ski Club Appreciation Week! From December 18<sup>th</sup>-22<sup>nd</sup> bring your Ski Club ID and present it at a ticket window and receive an all-day lift ticket for just \$50! We are so thankful for all of our ski clubs and all the business that you bring us, so we wanted to show our appreciation with this special week.

If you have any questions please feel free to reach out any time. Once you are set with the information, please sign the agreement and send it back to me. We will then start distributing vouchers. Thanks again for your patience and we look forward to working with you this season!

Think snow!
