Sölden is the place for World Cup skiing and snowboarding in Tirol and provides guests with a huge range of winter sports – the US Ski Team has chosen Sölden as their official European training base. The latest James Bond movie Spectre was filmed there. Over the years Sölden has become famous for its great apres-ski scene.

Vienna - Hotel Wandl - After a full week of skiing, head to the Austrian capital city of Vienna. Most newcomers to Vienna arrive with a firm image in their minds: a romantic place full of Habsburg nostalgia and musical resonance. Visually it's unlikely to disappoint: most of the important sights are concentrated in this tourist-clogged district and along the Ring, but a lot of the essential Vienna lies beyond it, in the initially forbidding grid of barracks-like nineteenth-century apartment blocks; and there are outlying sights such as the imperial palace at Schönbrunn, or the funfair and of the Prater.
