### The Skiing

Known for the most snow in eastern North America and a liberal in-bounds policy. You're sure to enjoy your visit on 77 trails, slopes and glades...but the nooks and crannies are what really set Jay Peak apart. From the far-out corners of the backcountry, to the close-at-hand convenience of The Zone learning area, there's a little something for everyone at our larger than life mountain.

### Accommodations

The two bedroom Golf Cottages sit on what locals refer to as the Shortcut road, along the first hole of our Championship Golf Course and just a short walk from the Tramside base lifts and across the access road from the Pump House Indoor Waterpark. Your stay includes unlimited shuttle service to all of our resort attractions. We also have a set of new Timberline Cottage, they are identical to Golf & Mountain, they're just not located along the golf course. Great for families or friends.

**Stateside Hotel - Ski in/Ski out hotel** includes views, restaurant, base lodge with cafeteria, retail store, rental center, outdoor hot tubs, access to 3 lifts, frequent shuttle to main base area and water park. It has been constructed at the Stateside base area, replacing the Stateside Chalet. Rooms include mini fridge, microwave, coffee maker.

Rooming preferences should be indicated at time of registration. Accommodations are confidential, known only to the trip leaders and the hotel. If you need a roommate, please contact the trip leader Rose Angelone or Cheryl Parmalee.
