

## Loon Winter Carnival Information: DZ: 2/14/17

### In addition to Information previously provided

#### **WAIVERS :**

1. I suggest you have everyone in your clubs fill out a CSC and LOON waiver if there is any chance they will participate in any event.
2. Please keep CSC and LOON Waivers separate AND sorted by LAST NAME.
3. ALWAYS retain copies yourself and bring to Loon, just in case.
4. You can also mail them to me at Dave Zuraw 33 Hilltop Road Naugatuck, CT 06770 But I MUST receive them by **Wednesday 2/22/17**
5. I can accept scanned/mailed Waivers, however, I really don't want dozens of individual files. Please scan them in batches of 10 and scan in as a 10 page document. Email to me at dscwebmaster@yahoo.com

#### **ROSTERS :**

1. I STRONGLY PREFER the non-state race racing rosters to be using the Excel spreadsheet on the CSC website, and emailed to me.
  - 1.1. JRA, JRB, WOMEN, TEAM, CLUB.
  - 1.2. If you can't use Excel, list names, seeding within club, & Race Name in a Word Doc table, or if necessary, type into an Email.
2. There are no State Race Rosters, registration is morning of event.
3. All other event Rosters: Complete the Excel or the older manual version and provide the event coordinators with those sheets.
  - 3.1. If Excel, you can easily define the print area to include only one event per printed page, or add page breaks.
4. CSC says I need ALL Rosters by the Thursday meeting 2/14. However, because you will all (mostly) be emailing me completed Excel sheets, I can accept these emailed Rosters up until **Wednesday 2/22/17.**
