

May 29, 2017

**Hello Connecticut Ski Council:**

I hope that everyone just had a meaningful Memorial Day weekend!

As we kick off the summer, we know that the furthest thing from your minds is the Connecticut Ski Council. However, I wanted to send this to everyone on the newly updated communications list for several reasons:

- 1) **To remind those who have NOT yet sent us their registration and rosters for the 2017 / 2018 season that they are due in 2 days!** At last count, we are still waiting to hear from several Clubs, so please get this information to us. We will be ordering the 2017 / 2018 Awareness Day stickers based on the roster counts that you have given us.
- 2) We are waiting to see how much of the email traffic bounces back to us due to out of date or inaccurate information provided.
- 3) We wanted you to have your Members check out the CSC website during the month of June. Our Council Ambassador's husband, Art Dutra, will be working with John Filakovsky to post information about **Summer Awareness Day discounts** that will be available to your Club Members who can show their current 2016 / 2017 stickers.
- 4) **We want every Club to provide us with your Club's Ambassador (if you have not already done so on the registration forms).** Last year, a number of Clubs missed out on the opportunity to participate in the flow of information provided to your Members by having a CSC Ambassador. It also denied a worthy Member of your Club to be included in the fun and rewarding experience. With the Council. This year, our Council Ambassador, Joy Dutra, and our newly elected Vice President, Marsha Barretta, have plans to ensure that all of the Club Ambassadors have a meaningful experience while meeting Members of other Clubs.
- 5) Finally, **The Snowball is at the Windsor Marriott on November 18<sup>th</sup>.** Reserve your Club's hospitality suite ASAP!! We want to see you all there; and want to ensure that every Club has a great time in kicking off the season in this newly renovated, beautiful hotel. And this just in – **music will be provided by Eight to the Bar!!**

More emails to follow with details about the Club Ambassadors and the Snowball – check out the WEBSITE!

Happy Summer! Jonathan
